

Hiranmaye Energy Limited

(Formerly known as India Power Corporation (Haldia) Limited)

NOTICE INVITING TENDER

NIT No.01/HMEL/RFP-Consultancy/20-21

1	Name of the Work	Request for Proposal (RFP) from reputed engineering firm for appointment of independent expert for review of closure of the contract & confirmation of operational status of various equipment/packages & project costs as part of third party certification as per WBERC section 2.8.5.3
2	Type of Tender	Open
3	Mode of Submission	Electronic
4	Total Time Period	10 days from the commencement of assignment
5	Date of Publication of Tender on Website	13-Nov-2020
6	Last Date of submission	Within Seven (07) Days from date of Publication of this NIT
7	Bid Submission Email Id	Satyajeet.Gupta@indiapower.com
8	Contact No.	9073973558

Hiranmaye Energy Limited

(Formerly known as India Power Corporation (Haldia) Limited)

1. Project Overview

Hiranmaye Energy Limited (earlier known as India Power Corporation (Haldia)) Ltd has been promoted to contribute to the power requirements of the state of West Bengal.

Incorporated as an SPV in April 2008, it has commissioned a 300 MW (2X150MW) coal based power plant. Further, one unit of 150 MW is under construction.

- Project capacity : 450 MW
- Location : Haldia, Purba Medinipur, West Bengal
- Unit Size : 150 MW
- BTG Supplier : BHEL

2. Scope of work

- 2.1. An independent party should be able to prepare the project completion report of 2X150 MW Thermal Power Plant at Haldia by scrutinizing the requisite document in compliance with 2.8.5.3 of WBERC Tariff Regulation
- 2.2. Ascertain the operational status of each equipment of such packages as well as deviation, if any, in specification of such installed equipment from that of the contract agreement/ order and review of applicable provision of different penalty (ies) or incentive (s) of contractual conditions for packages
- 2.3. Furthermore, necessary site visit to ascertain the operational status of the project.
- 2.4. An independent party should be able to validate the justification project rescheduling.
- 2.5. An independent party should be able to ascertain the cost & time over run of the project by scrutinizing the necessary available document & records.

Hiranmaye Energy Limited

(Formerly known as India Power Corporation (Haldia) Limited)

3. Qualifying Criteria

3.1. Technical Eligibility

- 3.1.1. Bidder should have preferably executed similar type of job for thermal power plant & prepared the project completion report as per the requirement of electricity regulations.
- 3.1.2. Bidder should have preferably carried out similar nature of job for thermal power plant of 100 MW or more capacity
- 3.1.3. Bidder should have exposure of auditing of contracts & accounts as per section 2.8.5.3 of West Bengal Electricity Regulation Commission.
- 3.1.4. Bidder Should not have been involved in the execution of the package from any side for the Project

4. Preparation of Bid

4.1. Bidder bid should consist following components
